Honoring Richard R. Pieper, Sr.

Tuesday,
December 1, 2009

The International Human Relations Award is presented to leaders of the business and civic community throughout the country who, through their skills, influence and dedication, have demonstrated their profound commitment to preserving our democratic heritage. **Richard Pieper** is the very model of that individual. As a philanthropist, business leader and entrepreneur, he has consistently used his time and his talents to repair the universe.

Richard R. Pieper, Sr.

Richard is currently Chairman of the Board of PPC Partners, Inc., a parent company of more than 26 different DBA's including Milwaukee-based Pieper Electric and Chairman of the Board of the Greenleaf Center for Servant Leadership. He is also the co-founder of the Suzanne and Richard Pieper Foundation.

He has served on the boards of Junior Achievement-Southeastern Wisconsin, Boys Scouts of America-Milwaukee, Boys & Girls Clubs of Greater Milwaukee, Florentine Opera, Young President's Organization-International, Wisconsin Council of Economic Education, Wisconsin Diabetes Association, Milwaukee Jaycees, Milwaukee Art Museum, Milwaukee School of Engineering, Present Music and numerous other professional and community organizations. He served on the board of the Character Education Partnership and in 2006 launched the Wisconsin Character Education Partnership to move public and private elementary and secondary education in Wisconsin toward the goal of "guiding, teaching, mentoring, and nurturing virtuous citizens."

Richard has a firm conviction to stimulate the development of the community, using his business talents and extensive business background to assist his prodigious efforts. His vision, his pacesetting management principles, his devotion to character and excellence, and his commitment to servant leadership have been recognized with numerous prestigious awards. He has modeled his vision and shared his labors across this country and around the world. For him, no task is too difficult, no burden too heavy. No coincidence that he recently circumnavigated the globe on his sailboat that is fittingly named Agape, meaning selfless love.

It is MAJC's great honor to present this award to **Richard R. Pieper, Sr.**, a world-class human being who has integrated his values into all of his endeavors and has changed the world through his efforts.
